

RAMSEY BAY SNOWMOBILE CLUB

PRESIDENTS MESSAGE 2014

Hello and welcome snowmobilers.

We are very much looking forward to another season to enjoy our trails and shelters. We are in the enviable position of having some of the most scenic trails in Saskatchewan.

Our volunteers have already been out working on the trails we can get to and cleaning up our Musquash shelter. Last year we were lucky to get the trail cleared to Musquash; it was a challenging year for clearing trails. In September a group of us cleared the area around the Musquash shelter and bleached and cleaned the shelter itself. We also took the cutter out and cleared the trail from the Elaine Lake Road to Musquash. There are pictures on our webpage to check out.

We can always use more volunteers for trail clearing; the more volunteers we have the more trails we can keep open.

Our volunteers are the most amazing group of people. They work rally after rally and pancake breakfasts with great enthusiasm. The trail workers do a hard job and keep working until it's done. The dedication of all these people has made my term a very rewarding and memorable time. I have enjoyed working with you all.

Thank you and happy sledding everyone!

Lois Wood
